Peace of Mind for travel under six months can run as little as a few dollars per day. The coverage card you carry could very well make the difference in receiving the medical care needed vs. none at all.

The Outreach product addresses the medical insurance needs of U.S. citizens and non-U.S. citizens who need temporary medical insurance for church or mission related travel anywhere outside of their home country.

For as little as \$2 a day, everyone in your group can be covered; and equally important the trip leader can call upon trained experts to coordinate any type of emergency need.
