403b Employee Deferral - Salary Reduction Agreement

You make a retirement contribution in addition to your employer by enrolling in our **403(b) Employee Deferral Plan**. Your Salary Reduction Agreement is a written, legally binding agreement between you and your employer. It is an agreement whereby you direct your employer to reduce future compensation (referred to as "your salary") by a specific percentage or amount. Your current Salary Reduction Agreement will continue until you sign a new salary reduction agreement. For most people, it is wise to designate contributions as a percentage of salary rather than a fixed dollar amount. If your salary increases during the year, your contributions will increase automatically without having to make a new agreement. You may cancel your Salary Reduction Agreement at any time with respect to future compensation. Use the **CBB Salary Reduction Agreement Form** to start your own contribution.
