“Earlier this year, our family lost a loved one suddenly. In the days that followed, I learned so much about life insurance and the importance of having plans in place should you or someone you love pass away. When Church Benefits Board offered a new Personal Life Insurance benefit that would stay with our family no matter what church I was serving, it was a quick yes. Knowing that there is a plan in place that would take care of my family provides me with a great sense of safety and comfort.”
